

2014 Skating Championships

Special Olympics Illinois is very excited to announce that the sports of figure skating and speed skating will be moving to Canlan Ice Sports in Romeoville. Canlan Ice Sports is an amazing facility boasting three sheets of ice along with other amenities. Special Olympics Illinois is moving these sports out of Winter Games and to their own event with the goal of increasing participation in the sport by making the venue more accessible and reducing costs for agencies and families attending the event. Please contact David Shindley at dshindley@soill.org if you have questions about this event.
