- Special Olympics Illinois has an exciting announcement to make! We are partnering with the Chicago Fire Soccer Club to create a Chicago Fire Unified Soccer team.
- This team will practice monthly at Chicago Fire training facilities and will travel to Dallas in July and host Orlando in August in conjunction with a Chicago Fire game.
- The team will be comprised of 4- 5 Special Olympics Illinois Athletes, 4-5 Unified Partners and 3 Coaches
- We are looking for individuals interested in serving as the Head Coach or Assistant Coach for this team.
- As you know, we expect that all of our coaches are certified through Special Olympics Illinois to be able to coach a Unified Soccer team. If for some reason you do not have your certification, we will be offering some additional CTS this coming spring.
- Applications are due to Jennifer Marcello by February 5, 2016 and we will be conducting interviews February 9, 2016 from 3-7pm to fill the coaching slots.
