

**The Illinois LETR Committee is proud to represent  
Special Olympics Illinois families!**

Last year, Deputy Steve Kirsch from Will Co. Sheriff's Department and his wife, Chris became the first ever LETR Family Liaison. In their new role, they will represent both SOILL families and the Law Enforcement Torch Run, as they work to reach other LE families, and promote the mission of Special Olympics Illinois. Steve and Chris have a daughter, Rikki, who participates in Special Olympics through Special Connections in Area 16.

Deputy Kirsch, Chris, and the Illinois Law Enforcement Torch Run committee want to identify law enforcement families who are either involved in Special Olympics programs **OR** who are interested in getting more information about Special Olympics

**Do you know a Law Enforcement family who has a  
child/relative with an intellectual disability?**

**Are you a Law Enforcement Officer who has a  
Special Olympics athlete in your family?**

## **If YES, Contact**
