If a severe weather watch or warning is issued, events may be canceled or rescheduled depending upon the time and the event. Because of the size of the Summer Games, some events cannot be moved because there is not an alternate facility. Please plan activities for the athletes if this should occur. The Residence Halls are not responsible for providing entertainment if events are canceled due to weather conditions.

Shuttle buses will be available to the public. The shuttle bus route is currently under construction due to adding a couple more stops. Up to date shuttle routes will be distributed in coaches packets and will be available at Tournament Central. Feel free to share this information with the families and spectators attending the games.

See you at Summer Games!
