Summary of Impact Special Olympics has had on you and/or your family:

Special Olympics is important to me because my uncle has special needs so being involved with these great kids makes them feel like family to me.

Why is being a member of the Chicago Fire All Star Team important to you? The Chicago Fire are a great MLS Program and the Unified All Star team has great coaches that provide these kids such an amazing experience. The best part of this team was last year, seeing all the kids get their own Chicago Fire jersey and seeing their big smiles. I am super excited to go through this amazing experience again.
