

**2019 Special Olympics Illinois
Region C Bocce Tournament**

Saturday, September 21, 2019

Time Schedule

8:00	-	8:30	Coaches Registration
8:45	-	9:00	Opening Ceremonies
9:00	-	3:30	Bocce Competition
11:45	-	1:00pm	Lunch available

DAY OF SCRATCHES: Upon arrival, notify the Registration table volunteers of any athlete who is not in attendance. The registration volunteers will attempt to notify venue volunteers of scratches. You may need to tell volunteers at the venue if an athlete has scratched when you hear them call the athlete's name. In the event there has been a scratch from their division and an athlete has a bye for their first game, it is recommended to have the athlete wait at the court so that they do not miss their second game.

STAGING: There will be no formal staging area. Coaches are required to take athletes to their assigned court five (5) minutes before the start of the first game for each division. Courts will be marked with signs. If an athlete is not at their assigned court at their scheduled game time the athlete will be scratched from the match. Please make sure that all of your coaches are aware of the game schedule for your athletes. In most cases, athletes will play back to back matches within their division. This will mean that the court volunteers will move the winner and loser from each court over to the other court, and the athlete will already be in place for their second match. In the event there has been a scratch from their division and an athlete has a bye for their first game, it is recommended to have the athlete wait at the court so that they do not miss their second game.

SCHEDULE: A court schedule was e-mailed out and is included in this packet. Each athlete is scheduled to play two (2) matches in each event. In most cases, athletes will play back to back matches within their division. There is a 5 minute passing time built into the schedule.

AWARDS: Awards will be presented at the outside awards areas assigned to each court as soon as possible after each division is completed. There will be four awards areas.

SPECTATORS: All courts are closed to everyone except athletes/Unified Partners and volunteers. Please respect this and stay on the outside perimeter of the courts and ask your agencies spectators to do so as well. Spectator seating is available along the outer edge of courts.
