The 2018 State Flag Football Event will be played with the updated Policies and Procedures for 2018:

Specifically, here are some rules that may have been different at the Region Events:

- B-2. All participants must have a playing uniform consisting of matching shirts, shorts or pants, and matching numbers on the back which can be tucked in at the waist to avoid obstruction of flag pulling. Shorts and pants must have no pockets.

Previously, this rule included the number had to be on the back and front, SOILL now only requires the number to be on the back.

- G-1. The game will consist of two (2) 20 minute halves (running time).

At some events, the clock was stopped during a dead ball within the last minute of each half. At the State Championship the clock will stop only if a time-out is called.

Players and coaches are prohibited from being a foot or more from the field if they are not in the game. Additionally, coaches must remain in an area from the goal line to the 50 yard line on the side of the field their team bench lies.

If you have any questions or concerns, please contact Nate Henry at nhenry@soill.org

Good luck to your athletes!
