The information below contains instructions on how to read the schedule.

### **Scheduled Starting Time**

The time listed on the schedules is the starting time for the race.

**Athletes need to report for staging (bullpen) 15 minutes prior, unless otherwise noted, to their scheduled starting time.**

Please do not bring your athletes any earlier than this time.

### **Divisions**

Athletes are divisioned for competition based on their ability. Whenever possible more than one division will compete at the same time as other divisions. Athletes are only competing against athletes in their division. Awards are based on the results within the athlete's division only.

### **Gender and Age Group**

Every attempt is made to division male and female athletes separately. In order to enhance the quality of competition, it is possible that genders may be combined as well as age groups. Combined gender divisions are denoted with a "C". Combined age group divisions will be denoted with an "OP". Combined gender and age groups are denoted as "CO."

### **Bullpen**

The bullpens are where athletes are to report to for staging for their events. Athletes should report 15 minutes prior, unless otherwise noted, to their scheduled starting time.

### **Athletics**

Consecutive divisions that are combined to make a heat will have a "-" between the division numbers.

For example, F01-F03. Non-consecutive divisions that are combined in one heat will be grouped within a "(" and will be separated by a comma. For example, (F01, F04).

### **Aquatics**

The heats listed are those that will compete at the time noted on the schedule.
