Team Competition

1. Please arrive at least 15 minutes prior to game time to warm up and discuss game situations with officials.
2. Games will start as scheduled.
3. Teams not ready to play within 10 minutes of the designated starting time will forfeit the game.
4. IHSA, SOI and Special Olympics Illinois rules will govern all Special Olympics Illinois State Basketball Tournament play.
5. Special Olympics Illinois basketball staff will make all final decisions.
6. Wristbands must be worn during all tournament play.
7. If a team is playing on a court where the team benches are at the end of the court, one coach from the team may be positioned at the opposite end of the court in the designated spot.

Team Uniforms

IHSA rules require all team players to be in uniforms. Rules specify that shorts and shirts with numbers must be worn. Athletes' uniforms must show legal numbers and contain no advertising. Legal numbers are: 0, 1, 2, 3, 4, 5, 00, 10, 11, 12, 13, 14, 15, 20, 21, 22, 23, 24, 25, 30, 31, 32, 33, 34, 35, 40, 41, 42, 43, 44, 45, 50, 51, 52, 53, 54 and 55. The numbers "0" and "00" are not allowed on the same team roster. Taping proper numbers on jerseys is allowed.

Teams are allowed to wear pinnies provided by the tournament to correct illegal numbers. These pinnies will be used only when teams have uniforms of the same color. It is the responsibility of the Head Coach to ensure that athletes are in proper uniforms before each game begins. Players are not allowed to play in long pants, even sweat pants. Proper court shoes are required.

Team Brackets

Team brackets indicating divisions and game times are emailed to basketball team coaches prior to the tournament. The goal of Special Olympics Illinois is to create four team divisions whenever possible. In some cases, divisions of two or three teams may be designed in order to provide appropriate competition. The following explanation covers all bracketing procedures employed by Special Olympics Illinois for tournament play.

Four Team Division: In a four team bracket, each team plays two games. Teams that win first round games move to the right side of the bracket, and teams that lose first round games move to the left side of the bracket. The two winning teams then play for 1st and 2nd place; the losing teams play for 3rd and 4th place.

Three Team Division: All play is round robin style. In these divisions, three games are played with each team competing twice. The team with the best record at the end of the three games will receive first place. If all three teams win one game and lose one game, places of finish will be determined:

1. By the point differential in the games played during the tournament.
2. If the point differential is the same, by the total points scored by each team during the Tournament (highest scoring team receives first place).
3. If point differential and point totals are the same, by free throw percentages in games played during the tournament.

Two Team Division: For the 2022 State Tournament, all play is best two of three games. Teams are given adequate time to rest between games. If each team wins a game then Basketball tie break rules will be implemented.

Individual Skills Competition

Individual Skills Competition is Saturday, March 12 at Illinois State University's Horton Field House. The Staging Area is in the southeast corner of the Field House. Individual Skills athletes begin competing at 9:00am. All traditional skills athletes will compete followed by the Young Athletes Skills competition. Coaches are able to drop off athletes at the staging area and sit in the spectator seating located in the balcony above the courts in the field house. No coaches or spectators are allowed on the floor during competition. Awards are presented after the completion of each competition division.

Individual Skills Uniforms

All Individual Skills athletes are expected to wear basketball style athletic wear. Shorts, T-shirts and gym shoes are not only the most comfortable style of clothing, but also the safest. Athletes are not allowed to compete in street shoes or jeans. Uniform numbers are not necessary. Agency athletic wear is not required to be the same colors, but it is encouraged.

Cheerleaders

Cheerleaders are only allowed as spectators for the tournament. As a spectator for this event, he/she will not receive a tournament memento, wristband, meal ticket or award. Cheerleaders are not allowed on the court with the players or team and will not be able to do any routines at any time before, during or after games. Cheerleaders are restricted to the areas allowed for spectators.

Athlete Awards

Awards are given at the end of competition for each division. Medals are presented to each member of first, second or third place teams or skills divisions. Ribbons are awarded for fourth through eighth place. A trophy is awarded to first place teams only. Awards presentations are at the Shirk Center and Horton Field House. Awards volunteers are not responsible for lost or stolen awards.
