OUR MISSION

Provide year-round sports training and athletic competition in a variety of Olympic-type sports for children and adults with intellectual disabilities, giving them continuing opportunities to develop physical fitness, demonstrate courage, experience joy and participate in a sharing of gifts, skills and friendship with their families, other Special Olympics athletes and the community.

OUR VISION

Special Olympics Illinois (SOILL) will be a global leader in shaping a culture where people with and without intellectual disabilities are fully integrated into the community by providing year round opportunities in competitive sports, health education, leadership and personal development.
