1. How long have you been with Special Olympics?

This is my first year in Special Olympics soccer as a Unified Partner.

2. How has Special Olympics changed your life?

I got to meet a lot of new, interesting people. I've also learned how to be a good partner and leader. I've learned a lot.

3. What has been your biggest obstacle to overcome?

I am always the smallest kid on my sports teams so I have to work twice as hard to be great.

4. What makes you most proud?

It makes me proud when something is hard and I continue to work at it. I love sports and I'm very social. It makes me proud when I bond with others.

5. What are some other accomplishments you are proud of?

I enjoy challenging classes, and I play on our high school's basketball and baseball team as well.

6. What other interests or hobbies do you have?

I enjoy spending time with my family and friends, I play ping-pong every day, and I enjoy helping others.

7. Who do you admire most and why?

I admire my parents because they are always kind and positive and their good moods make me happy.

8. What does attending USA Games mean to you?

Attending the games means I can continue working on my leadership skills and forming bonds with my teammates.
