

## Special Olympics Illinois in coordination with Protected Tomorrows is offering....

2020 Parent University Webinar Classes!

While most of us are hunkered down at home these days, we would like to offer these 2020 Parent University webinar classes. Each week a new webinar will be added, complimentary! We are all in this together!

At Protected Tomorrows, they know that caring and planning for the future of a family member with special needs is often overwhelming. They take your hand and guide you through the process of planning that future, alleviating your anxieties and transforming your uncertainty into positive action that not only secures a brighter future for your loved one with special needs, but helps you and your family member to grow on your journey together.

Here is the information you will need to access, for free, the 2020 Parent University recorded webinar classes:

### **Webinar Class 1: [Kicking It Off... By Implementing a Life Plan](#)**

**Coupon Code:** 2020pu1kick

**Class Description:** The key to a more secure fulfilling future is blending realism with hope. That takes knowledge, but also a willingness to learn about the many tools and techniques to help you get started. In this class we will work together to start identifying the goals you want to achieve and the dangers you'll want to avoid.

#### **Webinar Class 4: Working through the Maze of Government Benefits**

**Coupon Code:** 2020pu6maze

**Class Description:** The maze of government benefits can be overwhelming. Let's take one step at a time so that you can apply for those benefits you are eligible for, and become aware of what might change in the future. Families can play a big part in government benefits, and we might not even know it. Learn about the impact our parents, our spouses, and/or our children might have on our available government money.

#### **Webinar Class 5: Taking Control of the Legal Mumbo Jumbo**

**Coupon Code:** 2020pu7legal

**Class Description:** Putting together legal documents is confusing. Legal "talk" sometimes intimidates us. But the real concepts are simple, and knowing what the legal "talk" means, how it applies to you and your family, and what you really need, is so important to the big picture of the future. Sometimes we need help. The level of help we need it often defined by the kinds of help we need. In this part of the session, let's discuss all of the option that we might have and how to think about the realities of guardianship and conservatorship.

#### **Webinar Class 6: Choosing & Supporting Future Successor Trustees for Your Child's Special Needs Trust**

**Coupon Code:** 2020pu8trust

**Class Description:** You spend much time and effort creating the Future Life Care Plan for your family member with special needs. A very important component of that plan is the Special Needs Trust. The careful selection of those who will make sure your goals for the Special Needs Trust implementation is key to the smooth transition and the future happiness and safety of your family member. In this presentation we will dive deep into the best qualities for a Trustee/Trustees, Trustee duties/job, getting the right documents in order, making your wishes known, how to identify potential trustees, recognize the responsibility – does the trustee have what it takes?, benefits of naming a professional or corporate trustee, avoid feeling the "burden" guilt, and how to Build YOUR Special Needs Trust Dream Team.
